About Us ▶▶

BWDA Finance Limited (BFL) is an NBFC – MFI (Non-Banking Finance Company Microfinance Institution) working in South India for the financial inclusion and holistic development of low-income households. The organization is a public limited company headquartered in Viluppuram, Tamil Nadu, and operating in three states (Tamil Nadu, Kerala, Karnataka) and two union territories (Puducherry, Andaman & Nicobar Islands). BFL has three institutional investors namely, SIDBI, MUDRA, and Dia-Vikas, a subsidiary of Opportunity International, Australia.

BWDA Finance Limited commenced its operations in 2003. The parent organization Bullock-cart Workers Development Association (BWDA) registered under the Tamil Nadu Societies Registration Act was established on 2nd October 1985 to work for holistic empowerment of low-income households in South India. In 1988, BWDA started forming Self Help Groups (SHGs) of bullock cart workers' families, especially women to build self-sufficiency and facilitate empowerment and poverty alleviation under the IFAD Programme through Tamil Nadu Women Development Corporation. In 1992, BWDA started working with other low-income households. BWDA also linked SHGs to local banks to meet their credit needs for managing their livelihood and income-generating activities.

Later in 1999, BWDA started direct lending through the BWDA Microfinance Program to improve access to finance with a loan from RMK. Realising the constraints of the legal form and the huge potential for growth in the future it was decided to bring microfinance operations under a separate legal entity.

In 2003, BWDA acquired an NBFC, renamed BWDA Finance Limited (BFL) to streamline its financial inclusion operations. BWDA Finance Limited was reclassified as NBFC - MFI by RBI in April 2018. After reclassification, BFL partnered with the State Bank of India in July 2018 as a Business Associate.

BFL has a network of 72 branches and operates in five states and union territories namely Tamil Nadu, Puducherry, Andaman & Nicobar Islands, Kerala and Karnataka. BFL's team of 484 change-makers strive to empower 45,758 SHGs with 7,16,407 members economically.

Financial Inclusion

BFL firmly believes that financial inclusion i.e. delivery of financial services at affordable costs to sections of disadvantaged and low-income segments of society and linking of the poor to mainstream financial services is the key to empowerment. BFL through the SHG movement creates savings habit and internal rotation of funds among its members. The members are also linked to mainstream banking. BFL also facilitates credit linkage through on lending from banks, and other Financial Institutions for income generation and livelihood activities. BFL's financial inclusion initiative had its humble start in the parent NGO, Bullock-cart Workers Development Association (BWDA) as the BWDA Microfinance Programme on 09.09.1999 with the first loan assistance from RMK, New Delhi. BWDA received loans for on-lending from the Govt., financial institutions and banks like RMK, SIDBI, VGB, SBT, IOB, FWWB, HDFC, Dhanalakshmi Bank, CORDAID, RABO Bank Foundation, etc. for the microfinance programme. In 2003, BWDA acquired an NBFC, renamed BWDA Finance Limited (BFL) to streamline financial inclusion operations.

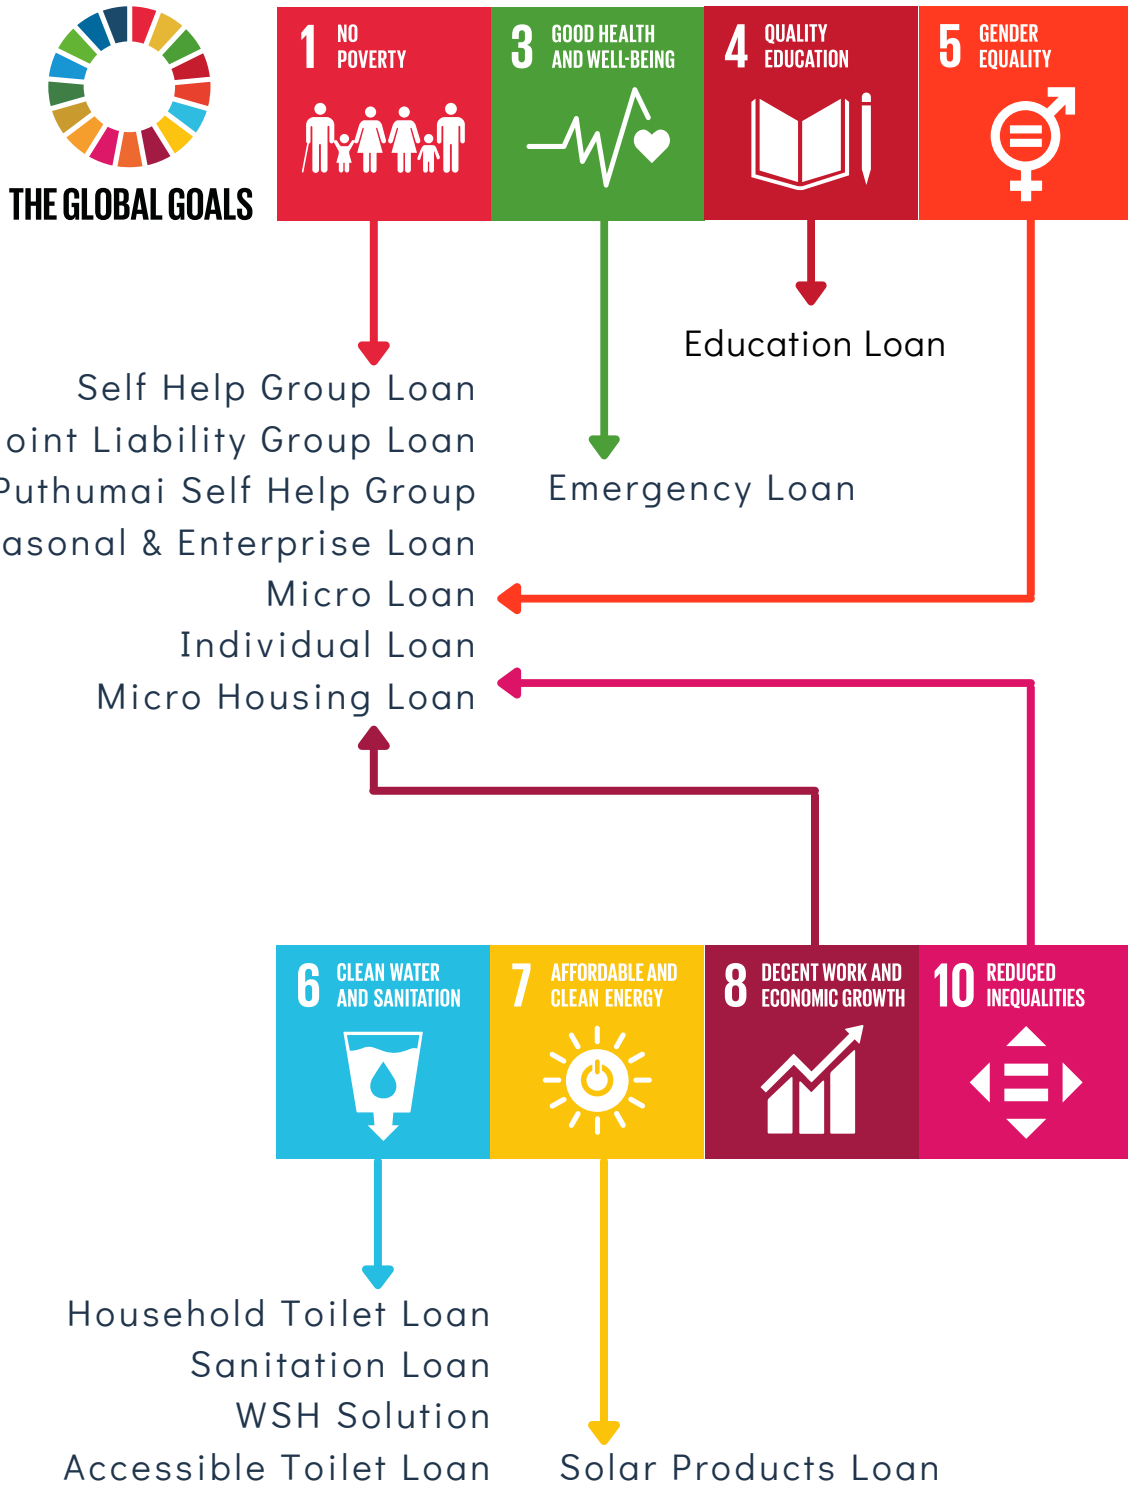

The Microfinance Programme has now matured into a full-fledged financial inclusion programme offering a bouquet of market-led financial services to low-income households. The financial inclusion programme directly and through partnerships offers members savings (through the SHG model), credit linkage, remittance, pension and insurance.

BFL has adopted industry benchmarked process and systems to ensure robust operations. At present BFL offers its services, primarily through Self Help Groups (SHGs). An SHG is a small, economically homogeneous and affinity group of rural/urban

voluntarily formed to save and contribute to a common fund to be lent to its members as per the groups' decision and for working together for the social and economic upliftment of their families and community. BFL offers a range of customer-oriented products and services to cater to member needs.

BFL is a member of Sadhan, SRO and adopts all guidelines given by RBI to ensure client protection. BFL has partnered with Credit Bureaus to curb multiple lending. BFL is client-centric and works for the holistic development of members through various development initiatives and credit plus services.
